Director of Data Processing

SUBJECT: ODP Report for Week Ending 15 April 1983

1. <u>SAFE Center Grand Opening</u>

The official opening ceremony for the Northside Computer Center was conducted on 13 April. Representatives from DIA and CIA attended the ceremony.

2. <u>Support to the Office of Imagery Analysis (OIA)</u>

On 12 April, a new registry data base (OIAREG) for OIA was added to the GIM production system.

3. <u>Support to the Executive Registry</u>

The capacity of the Executive Registry (EXAREG) data base was increased by 12 thousand records. This will allow for expected growth.

4. <u>Significant Events During Coming Week</u>

The DIA computer operators for DIA SAFE are scheduled to begin shift work in the Northside Computer Center on 18 April.
